and Nursery School

22nd May 2018

Dear Parents and Carers,

GDPR

From 24th May, new data protection regulations – General Data Protection Regulations (GDPR) - come into effect. These regulations affect any organisation that controls data. In order to ensure that we meet with the new requirements, we are working with Veritau Ltd who will act as our *Data Protection Officer*.

Our new Information Policy and Privacy Notice are now available on our school website in the 'School Information' section under 'Statutory Information' - 'Data Protection'. If you would like a paper copy of either document then please speak to the school office.

Year 6 SATs Week

A big well done to all our Year 6 children who worked so hard last week while sitting their SATs. Their attitude and behaviour was excellent throughout the tests. It was easy to see that the children gave their best efforts which is all that we would expect and we will of course keep you posted later in the summer about outcomes from these as well as other statutory assessments in other year groups.

Valuables and Toys

I spoke to all children during our assembly on Friday last week to remind them that toys and valuables should not be brought into school unless specific permission has been given. I would be grateful if you could remind children of this when and as needed.

Stay & Learn

Thank you to everyone who has attended a stay and learn session so far. We hope that you found it interesting to hear about the importance that we place on developing children's learning behaviours, with our focus this half term on social skills. We will keep you updated of our future focuses such as 'managing feelings' and 'empathy'.

School Dates

Here are some key dates to remember - A reminder that a copy of the letter containing all summer term dates is available in the school letters section of our website. A link to this section can be found on the homepage.
