

Starbeck Community Primary
and Nursery School

Monday 17th December 2018

Dear Parents and Carers,

We have now reached the final week of the Autumn term and it has certainly been a busy last couple of weeks.

Christmas Performances

Thank you to everyone who attended our Early Years and Key Stage 1 Christmas performances and for your kind comments and feedback. The children did so well with their acting and singing and looked wonderful in their costumes. Photographs are now available on our school website by visiting the 'News and Events' section then selecting 'Gallery' and choosing the correct performance.

Our final performance will be the Key Stage 2 Nativity which takes place on Tuesday this week at 2pm and 6pm at St Andrew's Church (see separate letter for more details)

Spring Term Dates

As you will be aware from previous letters, our last day of this term is this Friday – 21st December. Please remember that the first day back for children after the Christmas Holiday is **Tuesday 8th January 2019**.

If you are unsure of any dates, please remember that school holiday dates are available in the 'Parents' section of the school website.

Community Carols and Sing & Sign

Well done to Starbeck School Choir members who have been busy out in the community performing and bringing Christmas cheer to different audiences. Last week they sang beautifully at Springwater School Christmas Fair and then on Sunday they took part in the community carol service at Starbeck Methodist Church. Finally our singers will not only be singing but also signing at a special 'Sing & Sign' event at St Andrews Church later this week. They have worked very hard this year so far and we thank Mrs Rowntree for her continued support and leadership of the choir.

May I take this opportunity to thank everyone for their support this term and wish you all a wonderful Christmas break and a very happy new year. We look forward to welcoming everyone back on Tuesday 8th January ready for the Spring Term.

Yours sincerely,

Mr Garry de Castro Morland
